

PSECU's Corporate Headquarters Attains LEED GOLD!

A ceremony was held yesterday at Pennsylvania State Employees Credit Union (PSECU) Corporate Headquarters, located in Harrisburg, PA, to celebrate the unveiling of the LEED GOLD plaque that marks PSECU's headquarters as a LEED certified building.

Congratulations to the entire Project Team on this milestone!

For more information on the building's features that qualified them for this certification, visit www.psecu.com/leed to view a YouTube video.
